3.14.1 Applicability

This section is applicable to all screening information requests and contracts.

3.14.2 Policy

3.14.2.1 Contractor Personnel Security Program Revised 7/2007

The acquisition community shall ensure an adequate level of security for contractor employees as stated in FAA Order 1600.72A, allowing for compliance with OMB Circular A-130, "Management of Federal Information Resources", Executive Order 12829 "National Industrial Security Program", and DOD Directives 5200.2 and 5220.22M.

3.14.2.1.1 Employment Suitability Revised 10/2007

Contractor employees (including contractors, subcontractors, or consultants) shall be subject to the same investigative and personal identification verification requirements as Federal employees if in similar positions requiring recurring access to FAA facilities or access to FAA information systems or sensitive information.

3.14.3 Classified Information Revised 7/2007

The CO will ensure that all proposed and awarded procurement actions contain appropriate provisions and clauses if access to classified information is required, in accordance with The National Industrial Security Program Operating Manual, DOD 5220.22-M and FAA Order 1600.72A, Contractor and Industrial Security Program.

3.14.4 Sensitive Unclassified Information

The CO, in coordination with the service organization, will ensure that all contractual actions contain provisions and clauses to protect the unauthorized dissemination of FAA sensitive information. Such information may entail Sensitive Unclassified Information (SUI), For Official Use Only (FOUO), Sensitive Security Information (SSI), or any other designator assigned by the US Government to identify unclassified information that may be withheld from public release. The Freedom of Information Act (FOIA) provides in exemptions 2 through 9, the guidelines for withholding sensitive unclassified information from the public and how such information must be protected from unauthorized disclosure. Section 552a of Title 5, United States Code (the Privacy Act) identifies information, which if subject to unauthorized access, modification, loss, or misuse could adversely affect the national interest, the conduct of Federal programs or the privacy to which individuals are entitled.

3.14.5 Facility Security Program

The Facility Security Risk Management process, as developed through the FAA's Facility Security Management Program, FAA Order 1600.69, shall be an integral part of program concept, planning, engineering design, and the implementation of required protective measures maintained throughout the lifecycle for physical security enhancements.

3.14.6 Information and System Security

The FAA is required by law, Federal Information Security Management Act, 2002 (FISMA), OMB Circular A-130, and other federal standards and regulations to provide security for all agency information that is collected, stored, processed, disseminated, or transmitted using agency or non-agency owned information systems. For additional FAA ISS Program policy, see [FAA Order 1370.82A](#) (FAA only).
